# Raza A. Soneji

About me

Third-Year Computer Engineering student with a solid foundation in programming languages, web development, and a keen interest in exploring modern technologies. Experienced in working with C, C++, Java, JavaScript, React, Node.js, and MongoDB. Continuously expanding skills in software development and problem-solving.

Education

Bachelor of Technology in Computer Engineering
Dharmsinh Desai University , Expected Graduation : May 2026
CGPA : 8.25

Higher Secondary School Certificate (HSC)
St. Joseph Convent High School , Graduated : 2022
Percentage: 83.53%

Secondary School Certificate (SSC)
Kusum Vidhyalaya , Graduated : 2020
Percentage: 84.16%

Technical Skills

Familiar and worked with C, C++, Java, HTML, CSS, JavaScript, and React in addition to backend development with Node.js, Express, Spring Boot and relational databases (RDBMS). Comfortable with Tailwind CSS for responsive design.

Good understanding of core computer science concepts, including Data Structures and Algorithms (DSA), Database Management Systems (DBMS), Object-Oriented Programming (OOP), and Software Engineering principles and practices.

Familiar with Git/GitHub for version control, Postman for REST API testing, and IDEs like Visual Studio and IntelliJ.

Projects

Kmail - Email Application
Developed a full-stack email application using the MERN stack. Features include email sending, fetching, and management with user authentication and JWT-based security. Integrated RESTful APIs for seamless email operations.
GitHub Repository : https://github.com/razasoneji/Kmail

Expense Tracker – Spring Boot Rest Api
Developed a basic expense tracker application using Spring Boot. Implemented RESTful APIs to manage expenses, and perform CRUD operations on the expenses.
GitHub Repository : https://github.com/razasoneji/Expense-tracker-restfulapi

Razorpay-UI-clone
Developed a responsive UI clone of Razorpay using Tailwind CSS.
GitHub Repository : https://github.com/razasoneji/Razorpay-Interface

Portfolio : [https://github.com/razasoneji/portfolio]
